TextileLab Amsterdam - Academy

[Design]

Nieuwmarkt 4, Amsterdam, 1012 CR, Netherlands
textilelab@waag.org
tcbl@waag.org

⑬ ✏ **MANAGE LAB** ▼

The academy at the TextileLab Amsterdam is a series of workshops which aim is to explore how digital fabrication in combination with old craftsmanship and heritage in the field of T&C can influence the process and work of the participants that will be following it. Bringing together experts, designers and researchers that are exploring new ways of producing and pushing the boundaries in this field and participants that are exploring new options.
